#### Scripture Reading: 2 Samuel 9:3-8

- In the above Bible passage, Mephibosheth, the son of Jonathan and grandson of King Saul, was five years old when news came that both his father and grandfather had been killed in battle at Jezreel. When the nurse taking care of him heard the news, in an attempt to flee, she dropped him, causing second eternal tragedy in one day. As a result of the fall, he became lame in both feet. He was hidden in the house of Makir son of Ammiel in Lo Debar, where he remained in hiding, until the surprising news of his elevation.
- a. **Elevation means being brought from a low position to a higher one.** Elevation entails repositioning. Elevation will lead to reassignment to a higher position.
- b. **Elevation talks of divine authority to prevail in the affairs of man.** God have the final Authority to reposition, relocate, restore and reinstall a person. He has the authority to lift men up and bring people down. God is the one that brings down one and sets up another. (Ps. 75:7; 1 Sam. 2:3, 6-8.) “For promotion cometh neither from the east, nor from the west, nor from the south”. Ps.75:6 . It is however a person’s action that determine God’s upliftment or demotion.
- God has the authority over both believers and unbelievers. The difference is that believers submit to his rule, with joy for the salvation they have received in him (Matt.28:18).
- c. **Divine elevation talks more of divine arrangement than our strength or wisdom.** Divine elevation involves God’s hand taking us up into greatness beyond our imagination, expectation, calculation and qualification! Mephibosheth’s breakthrough came when he had given up completely on life. In fact, a onetime “Prince” calls himself a “dead dog”. God truly is an Elevator with no limit!
- d. **Divine elevation breaks protocol, social norms and expectations.** No wonder the scripture says, “He raiseth up the poor out of the dust, and lifteth up the beggar from the dunghill, to set them among princes, and to make them inherit the throne of glory: for the pillars of the earth are the LORD’S, and he hath set the world upon them”. 1 Sam. 2:7-9
- God used David, enemy of Saul to bless Mephibosheth. He made sure the wicked King Hasarus could not sleep till he blessed Mordecai and He made sure that Mordecai’s arch enemy was humbled before taking the gallows he had prepared for Mordecai (Est.6:1-11). God used the same Prophet Balaam, hired by King Balak to curse to bless the children of Israel (Num. 22 & 23)
- e. **Elevation means divine restoration to your place of honour, glory and authority** (2 Sam. 9:9) Then the king called to Ziba, Saul's servant, and said unto him, I have given unto thy master's son all that pertained to Saul and to his entire house. King David restored all that Mephibosheth was to have inherited from his father and grandfather. Sometimes some evil people plotting evil against you needs to go down in the case of Esther’s uncle Mordecai (Esth. 6:1-11; Esth. 6-7) who was remembered for elevation at the demotion of Haman.
